

Xtreme Illusions Dinner Show

For a magical night out, treat yourself to a taste of Vegas right here in Cairns with the Xtreme Illusions Dinner Show. Xtreme Illusions will entertain all ages with its mix of magic, illusions, comedy and hilarious audience participation. Your host and entertainer for this fantastic must-do evening adventure is Sam Powers, multi-awarded Magician of the Year.

Sam has dazzled audiences in 16 countries and appeared on TV before 10 million viewers. He has wowed the likes of Nicole Kidman and Jamie Foxx, so what are you waiting for? Australia's only resident illusion show, Xtreme Illusions takes to the stage at the Reef Hotel Casino six nights per week, so there's no excuse to miss it. Bring your friends and the whole family to experience this one-of-a-kind evening.

Xtreme Illusions offers a dining experience with the 'wow' factor. Enjoy a sumptuous three-course meal before or after the show with four restaurant choices to suit your style. Prices start at \$66 per adult which includes three courses and the show and \$40 per child, so your entire evening is looked after in one go. All restaurants are conveniently located next to the showroom.

The stunning visual show features heaps of audience participation to keep you involved and on the edge of your seat as you watch Sam work his magic.

A performer for over 15 years, Sam believes in giving his audiences the best he has to offer – every single time. He is always incorporating new material into the show to keep both himself and his audiences entertained. Sam is a fantastic entertainer who does his level best to knock your socks off with his illusions.

Magic for him is not about pulling a rabbit out of a hat. "Magic is about being mystified," he says. "It's a performing art. You have to have the ability to entertain an audience. You must be able to really put the audience at ease, relate to them and establish a rapport right at the beginning." And so he does. From the moment he takes the stage, Sam's larger-than-life personality grabs hold of you and keeps you captivated until the end of the show.

He'll make you laugh and you won't believe your eyes as the magic unfolds before you. This is an ideal night out and is good value to boot.
